Projects and Areas of Research Interest:

Most Significant Contributions:

Neil Arya is a family physician in Kitchener Ontario. He was recently the president of the Canadian Physicians for Research and Education in Peace (CPREP) (www.cprep.ca). He is Founding President of PEGASUS Institute and was Chair of the PEGASUS Global Health Conference (www.pegasusconference.ca). He is a Fellow at the Balsillie School for International Affairs. In 2018, he became a Fellow at the International Migration Research Centre and Scholar in Residence and Adjunct Professor in Health Sciences at Wilfrid Laurier University. He remains Assistant Clinical Professor in Family Medicine at McMaster University (part-time) and Adjunct Professor in Environment and Resource Studies at the University of Waterloo. He is a past Vice-President of International Physicians for the Prevention of Nuclear War (IPPNW), which won the 1985 Nobel Peace Prize and of President of Physicians for Global Survival (PGS) and has written and lectured around the world about Peace through Health. He was the founding Director of the Global Health Office at Western University and has conducted research around international experiences as well as the impact of overseas electives on host communities and students. Dr. Arya continues as founder Director of the Kitchener/Waterloo Refugee Health Clinic in collaboration with the Kitchener Waterloo Reception Centre where he provides case-specific care to newcomers and those in need of specialized care and was lead physician developing the Psychiatric Outreach Project, providing mental health for those homeless or at risk in St. John's Kitchen in Kitchener, tasks which led to him receiving the 2009 College of Family Physicians of Canada Geeta Gupta Award for Equity and Diversity. In 2013 he was given a College of Family Physicians Canada (CFPC) Award of Excellence. In 2011 Dr. Arya received a D. Litt. (Honorary) from Wilfrid Laurier University and the mid-Career Award in International Health from the American Public Health Association

1. Global Health

- Editorial Board of The Journal of Family Medicine and Primary Care (www.jfmpe.com)
- Founding Board President PEGASUS Institute, (Virtual), Waterloo, Ontario, Canada
- Current Adjunct Professor and Scholar in Residence at the Department of Health Sciences, Wilfrid Laurier University, Waterloo, Ontario, Canada
- Previous Director of Global Health Office- Schulich School of Medicine and Dentistry- University of Western Ontario
- Teaching Global Health courses at Schulich School of Medicine and Dentistry- University of Western Ontario

- Teaching McMaster Residents and Medical Students placed in the Waterloo Wellington area Global Health and in the University of Waterloo Master's in Public Health Programme
- Chair of the PEGASUS Global Health Conference.

2. Ecosystem Health

- 2014- Chair of Environmental Health Committee of the Ontario College of Family Physicians)
- Teaching of Ecosystem Health courses- Schulich School of Medicine and Dentistry- University of Western Ontario, London, Ontario, Canada and in the Graduate Programme of Environment and Resource Studies at the University of Waterloo
- Development of rational, systems approach basis to health issues. Working within ERS Department, academics, health practitioners to see how we can work for better health.
- Roundtables with academics and practitioners from the Universities of Guelph, Waterloo and University of Western Ontario to discuss tri-University cooperation.
- Papers in *Canadian Journal of Public Health* and *Global Public Health*.
- Co-edited issue of *Alternatives* with David Waltner-Toews on Ecosystem Health.
- Looking at restructuring health and its delivery for obtaining greater benefits, broad determinants of health with use of the voluntary or third sector.
- Papers such as “General Practitioners' responses to global climate change - lessons from clinical experience and the clinical method”

3. Peace through Health

- Member Interpeace Peace Responsiveness Roster
- Member Global Alliance on War, Conflict & Health
- Taught courses at undergrad level at McMaster University and Conrad Grebel College of the University of Waterloo
- Written about how health sector workers have unique qualities to work for peace and prevention of war and violence.
- Articles in *British Medical Journal*, *Croatian Medical Journal*, *Medicine Conflict and Survival*. Chapters in a Handbook of *Peace Studies* (Johan Galtung and Charles Webel editors), *Encyclopedia of Peace Studies* (Oxford) and in *War and Public Health* (2nd edition Vic Sidel and Barry Levy editors)

- Co-edited *Peace through Health* with Joanna Santa Barbara 2008, Kumarian Press. The model developed might be used to look at how other sectors of society could contribute towards peace.
- Lectures around the world eg in Germany, El Salvador, Guatemala, Panama, China, India, Israel/Palestine, Australia, Ireland, Italy, Denmark, Norway, Switzerland, US, Canada.
- AUSCAN Cooperative research on Peace and Health with Australian researchers from the University of New South Wales School of Public Health to evaluate health work for peace. <http://www.sphcm.med.unsw.edu.au/>
- Medical Peace Work European Consortium Advisor/Reviewer/Author <http://www.medicalpeacework.org/> funded by Leonardo da Vinci program Transfer of Innovation fund
- President of the Canadian Physicians for Research and Education in Peace (CPREP)

4. Pesticides and Human Health

- Development of this issue in terms of ecosystem health, risks and benefits, adopting the Precautionary Principle.
- Working with the Ontario College of Family Physicians, Canadian Association of Physicians for the Environment <http://www.cape.ca> and local community activists.
- Member of the Pest Management Regulatory Agency of Health Canada http://www.hc-sc.gc.ca/ahc-asc/media/nr-cp/2005/2005_64_e.html
- Articles in Public Health Journals and Newspapers. Reviewer for the Ontario *College of Family Physicians Report*

5. Eco-Friendly Family Medicine Office

- Working to develop an eco-friendly family medicine teaching unit in Waterloo. Students may assist in design of the office, development of modules for patients and practitioners helping to determine best environmental practices and evaluation.
- Lisa Mu, UWO medical student worked summer 2005 to develop these concepts and continues to work with me as a Community Medicine Resident at UBC. Relevant articles on this may be found at: www.family-medicine.ca

6. Mental Health of Homeless

- Worked collaboratively with St. John's Kitchen, the Working Centre and the Region of Waterloo to provide mental health services in the Waterloo Region-Included research component re. effectiveness.

7. Refugee Health

- International Migration Research Centre (IMRC) Fellow at Wilfrid Laurier University, Waterloo, Ontario
- Founder and Director of Kitchener/Waterloo Refugee Health Clinic in collaboration with Reception centre <http://kwrcentre.ca/>
- Presentations, articles, research, and advocacy, development of protocols and medical student training for the Newcomer Health Project in London, Ontario through the Global Health Office.

8. Israel/ Palestine Health

- Presentations on both Israeli and Palestinian Determinants of Health, Mental Health of Palestinians
- Member of Boards Healing Across the Divides (Scientific) <http://healingdivides.org/pages/aboutUs.htm>
- Network of Spiritual Progressives <http://www.spiritualprogressives.org>
- and Partners for Sustainable Development

9. El Salvador, Guatemala and Central America- Towards a Peaceful Society

- El Salvador-Work with Dr. Emperatriz Crespín and GTZ on social reconstruction in El Salvador using a Peace through Health model; training of medical and other university students in Peace through Health.
- Guatemala- Worked with Dr. Juan Carlos Chirgwin and Pueblo Partisans supervising McGill medical students on primary care of indigenous populations Developing further partnerships with Dr. Victor Lopez on clinical training and research on mental health

10. Pharmaceutical Industry and Physicians:

- Member on the Task Force on Schulich Industry Relations
- Written articles on the HPV vaccine and on medical decision making.
- Family practice for more than 20 years

11. Exploration of Global Health Medical Electives/Partnerships:

- Exploration of medical electives in Israel/ Palestine, East Africa, Guatemala/Peru, India and China

12. NGOs and Activism/Advocacy

- Have taken a leadership role in peace and environmental activist groups.
- Presentations-Exploration of effective activism and Role of Medical Practitioner in Advocacy
- How can we improve or evaluate what we do to promote peace and sustainability?
- <http://www.pgs.ca> and <http://www.ipnw.org>
- Arya N (Signatory)- Brundtland GH, Glinka E, Hausen HZ, D'Avila RL. (September 2013). Open Letter: Let us treat patients in Syria. *The Lancet*, 32 (9897), pages 1019-1020. doi:10.1016/S0140-6736(13)61938-8 <http://www.thelancet.com/journals/lancet/article/PIIS0140-6736%2813%2961938-8/fulltext>. See also: <http://www.msf.org/article/syria-global-coalition-doctors-calls-medical-and-humanitarian-access>

13. Alternative Security: A Sustainable International Security Policy

- Developing a more holistic, sustainable, healthy model of view of Security.
- Part of United Nations University (Japan), and Griffith University (Australia) roundtable 'The End of Westphalia? "Re-envisioning sovereignty"' 2005 Workshops and Presentation to UN Secretariat Chapter and book
- Articles on "Realism" in Medicine and medical approaches to war and peace.

14. Ethical and Sustainable Community University Exchanges with Latin America (ESCUELA)

- Working with Faculty in Health Studies, Environmental Studies, Engineering and Spanish at the University of Waterloo and Global Studies at Wilfrid Laurier University to develop academic and other exchanges, particularly in Latin America, with Peace, Social Justice, Sustainability and Health Components.

15. Marginalized Populations

- Developed Marginalized Community Selective with the [Southwest Ontario Aboriginal Health Access Centre](#) (SOHAC), London Intercommunity Health Centre, London Cross Cultural Learning Centre and Middlesex London Health Unit to coordinate training at the University of Western Ontario
- On membership committee of the Canadian Doctors Medicare
- Founded the Kitchener-Waterloo Refugee Health Clinic and St. John's Kitchen whereby Dr. Arya conducts research in each establishment. Includes a dental clinic to serve those of low income status in Kitchener Waterloo
